“ I worked with Jackey and will always remember how smart and beautiful she was. She was always helping everyone. She will be missed greatly. There isn't a day that goes by where we all don't think of Jackey. May she rest in peace.

“ I have so many fond memories of my beloved cousin Jackey. We laughed, played, talked, cried, shared, danced, sang and did so many other fun things together, from the time we were small children up through our adult years. Not only were we cousins, but we were also sister friends. I am certainly going to miss you on this side, but I rest in the fact that Earth has no sorrows that Heaven can not heal. Love you always and forever more.

“ You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 2yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your dead loved one again! Any Jehovah's Witnesses that you meet would love to show you in the Bible the truth about death! Again so sorry for your loss!!

“ God called you home saying, "Come home, we've been waiting on you." With thine hands eaged spread saying to you, "Well done thy good and faithful daughter". Well done. For this is your home now. How great is our God. You will solely be missed my sister in Christ. Rest in peace. Until we meet again.
