What a wonderful homegoing service for a wonderful woman and dentist extraordinaire. Dr. Hayes was the best of the best! All of the comments made were right on point. She was brilliant and kind, a true , professional in all things "denistry," a lover of the arts--I loved talking to her about the latest plays at Arena Stage. I have missed her since she retired from her practice and am saddened by her passing. Blessings to Kelce, Brayson and her family including Debbie who "ran" the office at Largo Park Dental like a school principal. Thank you, Dr. Ja Donna Hayes for enabling me to have a "head full of teeth" and beautiful smile at nearly 81 years of age. A loving and faithful patient of 37 years, Mrs. Norma L. Bullock

“ My sincere condolences to the Hayes family! So sorry to hear of your loss. As a previous patient, I have so many memories of Dr. Hayes as my Dentist who was caring, loving, and always listen to my concerns. She always greeted me with a smile and a laugh. She knew my weakness but always made me feel comfortable coming to the dentist! As a mother of two daughters, we were always sharing our special fun Christmas activities with each other and just thoughts on raising our daughters. Oh, the many laughs we shared that I will truly miss! I know there are no words that can ease your pain but know that Dr. Hayes was a wonderful person, and I will always remember her smile and laugh! Family, you have my deepest sympathy! Wishing you peace, strength, comfort, and courage, but most of all, the loving memories that you will forever hold in your heart. Be encouraged during this difficult time that she is with our Lord & Savior with eternal rest! May she rest in peace!

“ Dr. Hayes will always be remembered by me as someone who cared and listened carefully to me as I was a patient of hers. I looked forward to visiting her at her office in Largo. She enjoyed good singing and with me being a member of a couple of choirs at my church Reid Temple she always encouraged me to take my singing to the next level. What a delightful human being!! After she retired, I would often call and check on her. My sincerest hope and great Tidings to her Daughter, Father and other relatives and friends!! Know that GOD has this Blessed Angel in his Hands!! Love and Miss you Dr. Hayes!!

After an unpleasant dental experience I neglected my teeth until I met Dr. Hayes over 20 years ago. After her, dental visits became an anticipated experience. She headed an all female staff that was efficient, effective, professional, and hilarious! Dr. Hayes made you laugh when you went to the dentist. Yes, she did! I remember Kelcy's crib in her office, her joy at the birth of her grandson. She will be missed. Rest In Peace my friend and doctor.
