“ *To Kathy, Vashti and siblings: It is with deepest sympathy and condolences that members of the PILOT Program offer a message of support to you and your family as you did in support of our Memorial with the driving force to allow the Legend of William E. Purkett II to live on by supporting the education of students.*

*Together we understand and have sympathy for the loss of your dad. We want you to know we are with you and support you in your journey to be strong as you face the pain emptiness can bring. Know you are not alone as we are with you as you remember the joys and times of family bonding. We share these words of inspiration to you and your siblings and hope the remembering brings greater joy. We call this message “Missing My Daddy”!
We are here for you,
