“ Mac will always have a special place in my memory. He was a joy to visit and he made me feel welcome. He and Donna took my son and his wife under their wing when they were in the DC area and when Candy was sick. They will always be remembered in love. rev. marcella.##imported-begin##MARCELLA E SMITH##imported-end##

“ As a father and a friend you are truly missed loving memories now occupy the emptiness of you no more! Rest peaceful my father in knowing you fought the good fight; battle weary and scared you can lay down your trowel the last stone has been laid. My respect and admiration goes with you, the lessons I have learned from you are mine to keep! Your legacy lives on through the many lives you touched!

Love Always,
