“ Frances abd family. My deepest condolences to you all. I felt like family and enjoyed all the fun times we use to have. James was always very nice to me and treated me as family even after life took us in different directions. No that the memories will love on of a life we'll lived. The love he showed to everyone. His soul is at rest but he's always in your heart and may the family always keep the love alive. Love you all very much 🙏❤️✨
