To the Jones Nation:

I was deeply sadden to hear that my 'cuzzin', as Drewsie would say, had made his transition from labor to reward. I loved him so much and I thank GOD that he knew it. I will forever cherish the many talks that we had...mostly just checking on each other or planning the next family gathering...GOD brought the Jones Nation into our lives at the right time. HE knew when we would need each other the most and placed us in each other's lives to be there for each other. The Baltimore Jones Nation are here for you and we love you all! This hurt is unimagivable but I know what the word of God says...to be absent from the body is to be present with the LORD. PRAISE GOD that he is finally free from all of the pain!! He will FOREVER live in my heart....

Love,

Trish
