“ ANGELS

*You left one starry morning.
Without any warning in sight.
I never was given the chance to say good-bye
It seemed our time just flew right by.*

*I know the angels were calling your name.
Without you here, life will never be the same.
You meant the world to me and there are things I will never know.
You were an uncle with an everlasting glow.*

*You were so full of life and happiness.
You were the one who took away my sadness.
You always had faith in me.
And you were always excited to see me succeed.*

*Your body is no longer with us.
However your spirit still lives.
I take comfort knowing you are my angel.*

*Not a day goes by when I do not think of you.
Uncle Nick you are my angel and I miss you.##imported-

“ MY DEAR UNCLE

*So many thoughts,
in my head.*

*So many things,
left unsaid.*

*You left that day,
without a glance.*

*Never knowing God,
wasn't giving you a second chance.*

*What was in your head,
the last moments you had.*

*I hope you though happy thoughts,
and not sad.*

No one can evertake your place.

Your image in my heartwill never erase.

As you smile one me from up above.

My mind is still sadbut my heart is filled with love.

I love you dear uncle Nick you meant the world to me.

*I'll always make you proud of me you will see.##imported-

“ *My Precious Brother*

*I Wish I Could See You One More Time
Come Walking Through My Door
But, I Know That Is Impossible
I Will Hear Your Voice No More
I Know You Can Feel My Tears
And You Don?t Want Me To Cry
Yet, My Heart Is Broken
Because I Can?t Understand Why
Someone So Precious Had To Die
I Pray That God Will Give Me Strength
And Somehow Get Me Through
As I Struggle With This Heartache
That Was Caused By Losing You*

Who Walked Through Heaven's Gate

“ Hey Cuz,
My love for you runs deeper than the ocean seas. I think about you everyday, "I MISS YOU CUZ". I know there will be another chance for us to meet and I can't wait until then. I know you're looking down on me and keeping me strong. I will try to keep my head up and walk with a positive mind. I just wish I could had caught you in time. Things really messed me up when I retrieved my phone records and seen the miss calls from you. I'm sorry Cuz I'm sorry. This is killing me inside. You always kept us tight. Cuz I have to leave because this is getting to emotional for me, but remember I LOVE YOU BOO, Talk to you later

Your Cuz,

“ Well little brother, it's taken me some time to get here because being here for me means I have to truly say goodbye and let go. Being away from you so long I missed out on a lot. In our last conversation we made plans to finally see one another and I would get to meet my niece and nephew. I heard the words come from your lips that you loved me and I will remember that always. It's time to let go now for you are at peace little brother. No more pain, no more heart ache, and truly no more bitterness and suffering. I carry you in my heart always. I will truly miss you little brother and will love you always. One of your big sisters Tawana###imported-begin##Tawana###imported-end##
