“ *My condolences to the Permenter family. I've known Jimmie (Kolas dad) just as long as I've known Dez (Kola mom) and we worked across the street from each other and normally saw him up the street when we played our numbers. Rest in peace.*

“ Jimmy was a kind and informative person. He could tell you about school days while attending Coolidge Senior High School. In Addition, his experience working at DC Council for over 40 plus years. Jimmy could inform you about the history of the transitions between outgoing Council Members and New Council Members. He will truly be missed by Council Members and Council Staff.

“ I worked with Jimi's mom for many years. I met Jimi for the first time on a group trip to the Bahamas. He accompanied his mother. He was always my special young friend from teenager on.

My condolences to my friend Grace and the family.
