“ *At around 9:15 this AM Thursday I checked my phone messages and there was one from Al Franks telling me about Rudy. Rudy & I worked together and my memories of him shall always be cherished because they bring a smile to my face and warmth into my heart. His smile and words of humor, care, compassion and wisdom made any minutes with him better and were enriching. My condolences to the family but don't worry about Rudy. Celebrate his life and know that he is with his Lord.*

With love,
