“ *Losing a loved one in death is so hard to come to terms with, because we miss our loved ones so very much. I know, because I Have lost many family members and friends over the years. No matter how many we lose it's something that we can never get used. Death is so unnatural, and it was never a part of GOD'S purpose for us. This is why he makes this promise found at 1st Cor 15:26, As the last enemy, death will be brought to nothing." One day soon there will be no more sickness, no more hospitals, and no more cemeteries, because death will be gone forever. Then we will be able to say, Death, where is your victory? Where is your sting? May God wrap his loving arms around you, and send you the comfort that you need to help you to cope with your loss. One day you have the wonderful hope of being reunited with James once again. Rev 21: 3,4*
