“ I am saddened to hear about the passing of Janet. She was a loving wife, a devoted mother, a dear friend and she loved the Lord.

I want to extend my sincere condolences to Leon, Parrish, and their family.

I have known Janet for more than 40 years. We worked together during her tenure with the National Park Service. Even after her retirement Janet, Leon and I remained friends.

I pray for your strength and serenity and everything that will bring your heart comfort.

May all that Janet meant to you, and all who knew and loved her, lived on in your memories.

Rest In Peace Janet

“ *To our dearest friend Janet. One of the best things that happened for us over the past six years was meeting you and Leon. You mentored us not only in business but in life. We will truly miss talking to you in the late hours of the night (we knew that you'd always answer), your laugh, and your realness. Rest in heaven our dear friend. Donna and Paul Scales*

“ We met Janet, Leon and her son Parrish in the late 1970s when we moved to Lanham. They lived up the street. Our sons became good friends and so did we.

Janet was one of those effervescent people who lit up a room when she came in. She had boundless energy and a magnetic personality.

We partnered with her and Leon on several projects over the years, even after we retired and relocated to the Republic of Panama.

She was always 100% supportive of the things we did, and she and Leon hosted us at their lovely home on some of our visits to Maryland.

I share those few examples to demonstrate her kindness and generosity.

We were happy when Janet and Leon decided to come to Panama to celebrate their anniversary several years ago and we had a ball together.

Janet will be greatly missed and we extend our condolences to all of her family, friends, neighbors, and church family.

Love you, Janet!
