“ *Javonte was the friend and classmate of my son Jerome Gibson. I just want to say on behalf of my family that we extend our greatest sympathy to your family. Life is so strange and eventhough we are so often thrown curve balls, we have to remember that it is better to have loved for alittle than to not have loved Javonte at all. You still have all of your wonderful memories, and though it may be hard you will all be okay. I know that you are hurting and you can't stand to feel this pain from his passing, but he will be with you all the way. Take care, be strong, and be blessed.##imported-begin##Jerome Gibson##imported-end##*

“ We will continue to pray for the lost of your loved one. Even though I have known him for a short while he was a true delight to have around. He will truly be missed but please believe he is in the loving arms of Jesus.

Love,
