“ Aunt Jenny

*Was a blast! She was funny and loving in her own special way. She loved the Lord and carried him everywhere she went. This is my fondest memory of her because with it she leaves a legacy of her faith in Christ for all generations to come. We will miss her! With Love, her niece Denita##imported-begin##Denita Sconiers##imported-end##*

“ *My thoughts and prayers are with the family of Mother Steele. She did so much for Faith Temple COGIC when she lived in Topeka, KS. I always will be grateful for her making the time to take me to youth revival and then praying with me. It was during this time that I received the baptism of the Holy Ghost. That was forty years ago. My life was changed forever. What a beautiful and loving woman she was.##imported-begin##Linda Jeffrey##imported-end##*
