“ God Bless the Family and Friends of Jeff Scott, "Scotty" to most people who knew him at PG Hospital. I'll miss all his insightful views of his wide array of knowledge delivered in his comical and hilarious descriptions. Jeff talked and joked with everybody. May He rest in peace, but he may not rest because he's making someone laugh now. See you Later Scotty. From Your Friend in the MIS Department###imported-begin###Wayne Howard###imported-end###

“ *Darlene & Family,*  
*Although I did not personally know your brother or his family, the loss of a loved one, in particular suddenly is always difficult. There are no words that can take the pain from you and your family, but know my prayers and thoughts are with you. Always cherish the good times you had with him and know that you will see him again. God Bless you and your family.##imported-begin##Ellen C. Gee##imported-end##*
