“ Jerome there are so many memories that I have of you. How do I began? You were always one the best friends that I could ever have. From 14 all the way till now, you always had my back and looked out for my best interests even when I wasn't the nicest person to you. Why do all the good go so soon? Jerome I am going to miss you so much. My condolences to the Houston family. You are all in my prayers.##imported-begin##Leiya Williams##imported-end##

“ Our family has known and loved Jerome every since he was a little boy playing with my nephew Sean on the street that they lived--they grew up together as good friends.. We looked forward to seeing his sweet, smiling face with a disposition to match. From that endearing child he grew into an endearing, dedicated and admirable young man, who you could not help but feel better from having been around. We have so many fond memories of Jerome. He will be deeply missed by our family, and his memory will be greatly cherished.##imported-begin##Donella Banks-Burgess##imported-end##
