“ *Whats up dog its been awhile and I know you had to do your own thing the hood still loved you and we still do, I know your up in the sky looking down on everybody its good to know I got a angel like you watching, you know I aint change Im still making it happen. Its crazy cause we was suppose to do it all together, Im a miss you we all are going to miss you. Its funny cause you never could get the motorcycle thing down packed but you sure tried, and you know how we used to do it at the JY shows Ill just keep the memories.
