“ Hello Jackie and Williams Family,

Hi Jackie, we were unable to attend the home going service. Lisa and I send you our heart felt condolences. We have known and always loved both of you for soooo many years that it was such a crushing blow to hear of your dear husband and our best and funniest friend's passing. Nevertheless, we know that your faith in GOD will bring you and your family through such an awful blow with flying colors. We are moving to Waldorf in August of this year and we hope we can get together and hang out, when you feel up to it. Maybe we could visit you and help with anything you need us to do for you and the family? Please let us know we love you and are here for you if and when you need us to be. Our telephone number is 301 292-6003 and in August it will be 301 893-1464. Please call if you need anything. Here is a poem that will hopefully comfort you in your time of storm: Love Ones Who leave! Love ones who leave are not gone at all. They are ever present in our mind and hearts. I know we can no longer touch or see them in this body, but love and togetherness comes in all forms. We are blessed when GOD loans us HIS best, your Jimmie definitely surpassed the test. He was special and kind, always had GOD on his mind. What can be said about a husband and friend like he, he was most certainly, One of a Kind. Love always, Pat, Lisa, and the Ford Family.##imported-begin##Carol##imported-end##
