“ *My condolences to the family of Mr.Sherard. Death is such an unpleasant thing but it is a force that pursues each one of us. It is a great enemy which robs us of our precious relationships. What hope is there? The Bible promises that death will be done away with Revelation 21:3,4 And a resurrection of loved ones is also promised at Acts 5:28,29. The Creator is the only one who truly desires to and has the power to undo our miserable condition, that is facing sickness and death. Again, my sympathies.##imported-begin##Lena Bey##imported-end##*
