If there are members of the former Busy B's Ministry, present, please stand at this time.

To: The Crawley Family:

We, the former members of the Busy B Ministry of Walker Memorial Baptist Church, extend condolences to you and your extended family, during your hours of bereavement and the days and months to come for the loss of your loved one.

Dec. Crawley was our assigned Deacon for all members, whose last name began with the alphabet B, within the church and I, Joyce A. Benjamin served as President of the club for several years.

Dec. Crawley, supported, his ministry in a dignified and Christian manner. He accompanied us on many trips out of town that warmed our hearts of biblical scenes, displayed on acres of land in Bedford, Va.

We loved to see Dec. Crawley, standing in the vestibule, greeting members, as they came for worship, each Sunday. He made a lasting impact, within our group and we will forever, remember his warm spirit, pleasant smile and friendly disposition, displayed to all of us as our leader in command, for over five years ,before, re-organization of church matters took place.

I was at Walker, approximately three weeks ago, and I enjoyed the fellowship, I shared with Dec. Crawley and Gladys, at that time. May God wrap his arms around your family and draw you close together to share your love for one another, so he can give you strength to tunnel through your loss.

I am so sorry, that I am not able to be with you today. Just know that prayers will continue for your family and cherished memories, will be kept in our hearts.

Humbly Submitted By:

Sis. Joyce A. Benjamin

Past President of The Busy B's Ministry of Walker Memorial Bapt.

“ *John was a true gentleman, with a kind heart and a winning smile. He had a way to make you feel special. He shared the same name as my Daddy which made him even more special to me and they even went to school together. In learning of his passing, I am sad to say that...I know of no other John Crawley left in this world...though I am sure there are many. I know he is in a better place now, but I am truly sadden along with his family that he is gone.*

John just know that as I sit in our home church and look at that second pew in what we call the "Deacon's corner" I will remember your sitting there and of course your winning smile...and sharing a joke with you after church service as we would do. Heaven is just a little bit happier...because you're there...and the earth is just a little bit sadder...because you are not. Rest in peace, my friend.
