“ Dear Atkinson Family-

It was my joy to know Bo for close to 23 years while we worked together at the National Archives. Bo was a mainstay for me. He knew the importance of his work, but he found ways and time to make it bearable for his colleagues and friends, when sometimes, as happens in all workplaces, it becomes a bit unbearable. I believe in the Resurrection and the Life, so I know Bo is well taken care of, now. It will just take a little while for it to sink in. May memories of Bo be a comfort to you. God Bless.
