“ My condolences to your family and close friends. May God comfort you all. I just saw on your facebook page that you past away yesterday and I'm still in shock. You always talk about your family and how much you love your mom, siblings and your only son. You where such a great father. I feel sooo bad I haven't talk to you in almost a year but we did communicate through text. I'm going to miss you. We had a great bond and unique friendship. I'm going to miss our conversations, being there for each other, and hanging out together when we reconnected. I have known you since I was 17 and now I'm 43. That's a long time. Soooo many great memories. I love you dearly and I'm glad you knew how much I loved you although we lost contact and then reconnected through social media or through mutual friends. May your Beautiful soul inside and outside, Rest in Peace. You where such a great man, father, son, brother and friend. I will cherish all the memories we shared from mattapony until the last time I saw you last year at the park in Columbia, Md when you picked me up to talk and chill because I was going through a tough time. Sooo many fun memories and deep conversations that will stay with me. Love you always and forever Mari J aka giggles ♡♡♡
