“ *To the family of Joseph Habner,
My condolences on the loss of Joseph. I was able to meet and become really good friends with Joseph in college at Johnson & Wales University. He was so very special! Our many discussions about life and Mariah Carey will forever remain within me. Many years have gone by and I see that He is now with us all in spirit. May the love of the Lord and Joseph be with you each and every day. -Sheronda Byrd*

“ Dear Wade,

I just learned today of the passing of your son from my sister, Janis Habner. During this difficult time for you we would like you to remember that Rudy, and Steve and Janis do care very much, and always, and through them, we care as well, though we did not have the privilege of knowing your son. Perhaps we will get to meet you someday.##imported-begin##Jerry & Monika Buell##imported-end##

When I 1st got to Duke Ellington I thought he was giving me a hard time until one day he pulled me to the side and told me that he prepping me for the world and all he's trying to do is make just a little more stronger. Joseph, THANK YOU so much for making me stronger.... I MISS YOU SO MUCH!!!##imported-begin##Christopher Akinbuwa##imported-end##
