“ *Dear Joyce and Burrell Family,*

I was so shocked to hear of Joe's death. I've known Joe since we were in our 20's and I will always remember the handsome, charming and terrific person he was. I'm so sorry for your loss. I've moved to Florida and hope you receive this message.

“ To the Burrell family, I am so sorry for your loss. When I moved to Washington, DC from Long Island NY to work for the Fire Department Joe was my Supervisor. He took the time to teach me things that weren't in the text book. He was a big influence to me and I can honestly say his positive influence helped me through out my career. May God Bless you Joe Burrell. May you rest in peace.##imported-begin##Kevin Stuart##imported-end##
