“ *Joe, you brought so much sunshine to our lives. You have supported and loved us through our lows and highs for over 25 years. You've been a caring father and friend. You shared your life with us in such a loving and unselfish way. We have witnessed the great love between you and mom which made it easy to love you. You lived your life with a calm dignity. It has been a pleasure being a part of your life And, while we will dearly miss you, we will always love you.*

*Peace be with you,*

“ Grandad, you were and are the strongest person I know. I'm the youngest of your grandkids so the older kids had more time with you. However, you were and are a constant in my life. Grandparents day in elementary school you were there. School breaks and vacations I was with you. I guess what I'm saying is simply. I love you so much, I admire your strength and will, and I hope one day I can become someone that you would be proud of. I know your at peace an I hope you watch out for me from above big man.

*DAD I miss you so much, I can't call you anymore I'll love you always. I know you already know that mom is there with you, but it was just too soon. I don't know what to do now that both of you are gone, but I'm trying hard to keep going. I just don't know what to do next. I miss you both & love y'all more.*
