“ To the Burrell Family:
My thoughts and prayers are with you. Deacon Burrell was my second grandfather. I will miss seeing him sit on the right side of the church. I will miss his bright smile and his embracing hugs. But I will never forget his memory. I will carry that in my heart forever. He has made a major impact on my life. I know that days to come may be difficult, but just remember his smile and that God never puts more on us that we can bare. "the best is yet to come."

With deepest sympathy,

“ I am going to miss you granddaddy. I am going to miss the times we spent fishing and the crab picnics at the house and just being around your quick smile and ability to make it all ok. I only wish that my children could have had the opportunity to share with you some of the things that you offered me. I love you and you will be greatly missed.

Love always
