“ *Josephine, How we miss you already. You would have loved your funeral, it was so elegant and classy, just like you. Your pink suit looked so well on you, lying in that beautiful white casket.*

Josephine, you never asked anything of us, you never spoke of problems. You were always thinking of ways to give to us and others.

You were like an angel here on earth. Your smile was beatific and your laugh infectious. You never had anything bad to say about anyone, except some politicians maybe. You believed in the best of everyone and we all loved you for that. You will be terribly missed. My son Robert will never, ever forget you, you were a wonderful second mother to all of the children you cared for.

Now that you're in Heaven, please pray for us and watch over us.

We love you always, Nancy Prendergast and the Pichard

“ To Ivestia,

Know this: God Loves you and wraps his arms around you in this difficult time. Let Him keep you. I experienced the same thing 6 years ago, to the day

Your mother raised a beautiful person. I'm glad I got to know you for a brief time and my thoughts and prayers are with you and your family.

Ever so sincerely,
