“ My deepest heartfelt condolences to Barbara and her family 🙏. I remember meeting her mom on several occasions and she was always so welcoming so loving and very supportive was always at every event. My heart truly is with and goes out to the family I know what it's like to lose a mom but I do not know what they are feeling but want them to know friends are here to help them through this difficult time. Sending lots of love and prayers to family. God's love be with you.
