“ I have fond memories of Josephine during her career at Verizon. She helped the technicians, supervisors and we helped each other. I'm going to miss her humor and laughter. She loved the Lord and helping others because she was a people person. Love, Coworker, Betty C. Hinton

To the Family of Josephine "Josie" Livingston you all have my deepest sympathy. I worked with Josie as a SEE employee with the Environmental Protection Agency. From the first moment I met her she was my "Sunshine" with that beautiful smile and that was my name for her which I found fit her perfect. We became friends from the first moment we met. I am truly going to miss her but I know I will see her again. So Rest Peacefully in Heaven Josie until we meet again. Love you Regina Lee
