“ To the absolute love of my life. You shielded me when I couldn't. You saw I was different and love, cultivated and celebrated me always. It's not much in this mortal life that I've gotten right.... but loving and honoring you was something I excel at. God was mindful of me when he allowed me to born through your lineage. He knew what a job it would be to have to live and deal w/ me & he graced you for it. I hurt endlessly knowing you are asleep, but I rejoice the more knowing when we are reunited our harmonies will be epic sounding in glory. You can't crown him until I get there!!!!

Take your rest, Gal — you've earned it.

Love you,  
De
