

Joyce B. Hudson

March 15, 1930 - July 29, 2006

On Saturday, July 29, 2006, Joyce Barbara Hudson was called home to join our heavenly Father.

Joyce ?Joycie? Hudson was born on March 15, 1930 in San Fernando, Trinidad. She was one of eleven children born to the late Agatha Bridgewater. She came to America in 1967 and resided in Washington, DC.

Joyce had a long career in health care. She worked at the Baptist Nursing Home for a few years and at Beverly Health Care where she had more than thirty years of faithful service. She loved her work and enjoyed taking care of the sick and elderly.

Joyce loved people. Nothing she had was too much or too little to give or share with anyone in need. She would give her last to anyone in need and would have fed the world if she could.

Although she lived in Washington, DC for many years, Joyce remained loyal and true to her Trinidadian roots and culture. She was involved in many Trinidadian activities including DC Carnival. She enjoyed her life and she loved to sing and dance to Soca/Calypso music.

She was a very loving and devoted mother to her five children; Kenrick,

Anthony, Cindi and Michael first son Allan preceded her in death in 2002 and she cherished her twelve grandchildren and her seven great-grandchildren.

Those remaining to celebrate her life with love and cherished memories are: a loving and devoted sister, Stephanie; two brothers Leslie and Robert; many nieces and nephews and a host of relatives and friends.
