“ *In the short time that I got to know Mrs. Brown, those moments were full of laughter! While she did not hesitate to give you a firm word or two, if needed, she was a joy and a lovely lady to be around.*

“ *I met Mrs. Brown through her daughter Trina. We would often meet her for lunch in Crystal City. She always showed love and gave the best advice. She would do anything to help people. She will be missed but never forgotten. My prayers go out to the family and friends. Love you always Wendy and the Franks Family.*

“ *Joyce was a longtime neighbor and friend. I remember moving in the neighborhood over 20 years ago and she was the first one to welcome me and make friends with me. I got to know her children and grandchildren. I will miss her long conversations and surprise visits. Her smile always greeted me. She loved her family so much and shopping was one of her favorite things to do. Rest well Joyce!*

“ *What do I say about the woman who gave me life the one who was always there when I needed her and even when I didn't think I needed her. Mom you taught me everything I know and you poured in my life an unmeasurable amount love that I will never forget. Thank you for guiding me and making me the woman that I am today. Your lessons will not be in vein and I will continue to make you proud. And don't worry I'll take care of my knuckle head brothers. Missing you, loving you forever.. Trina*
