“ *Joyce was one of my friends when I worked at Pepper. She was also one of my first clients when I became a personal trainer. We had a wonderful group of 5 women and I had them all exercising together in the small Pepper gym in the old building. I remember Joyce's enthusiasm for exercise and her asking me all about my new profession. I encouraged her to become a trainer too and was happy to see that she was studying for it. I will miss her passion for life and her infectious laugh. God is lucky to have her in Heaven!##imported-begin##Nancy Karabaic##imported-end##*
