“ *Tyrone & Family,*
At times like this, words cannot say the things we'd like them to, but may it be a help to know my thoughts and prayers are there with you. When your heart is heavy, feel the good Lord holding you gently in His arms...with so much love, just the way He's holding your mother in Heaven. May the Lord continue to bless you and give you strength.##imported-begin##Sylvia Lawrence##imported-end##

“ *May each treasured memory of your Mother bring you and your family peace. It will be difficult but just remember all the good times and the many ways she touched your life. Even now as you celebrate her life she is also reminding you how to live and to love.*

I'm sorry I could not be with you but just remember you are still my other son and you are loved.

May God's love surround you and your family always.

Peace,
Merlene Mom Bagley##imported-begin##Merlene Bagley##imported-end##
