“ Over the last couple of years, it was fun exploring our NC roots and the people we shared connections with (but never knew it). Judith (Judy) was so cool, and always willing to offer a word of encouragement. Most of all I will miss her ability to make me laugh (always at the right time). You are already missed Judy. I pray your journey from now until eternity will be peaceful and heavenly. To the family and loved ones, I offer my sincere condolences, and will keep you in prayer for comfort and strength during your time of grief.
