“ *Aunt Julia Annett as we referred to her was a wonderful, lively, friendly and outgoing person. She knew how to have fun. At the same time she was a caring aunt to my sister Jennie, brother George and myself.*

She was very hospitable and on my wife Wanda and I trips to New York, when she lived there, and made us feel at home.

She will be missed, but we will always have fond remembers of her. Her future is now in Jehovah God?s hands I know he will remember her.

To all the other survivors my wife and express our sympathy
