“ *To: Pearl Beidleman & Family*

May you and your family be comforted in knowing that as you experience the presence of darkness in your life today, you will also experience the spiritual light that surrounds you-your mother's spirit, together with her unyielding and unconditional love.

For those who knew and loved her, and for those who came to know her agree that she gave honor to the word, Mother.

It is our wish that you embrace the light, the love, and the legacy of your Mother as her spirit lingers within all of you. You are blessed in knowing she is, and will always be, "Your Mother".

While we know she is loved by many, call upon her at any time, her phone line will never be too busy.

I hope these words bring comfort to you, as you continue to bring light into your presence. And so it is.

*Love,
Brendenia R. Grady & Family###imported-

“ To Pearl Grady and Family: I wish to express condolences on behalf of my family during this time in your life. I did not know your mother personally but if you are any example of the work she has done, I'm sure that she is a wonderful woman! Marc has told me many times what a beautiful and kind person your mother is. May the Lord continue to bless you and your family.##imported-begin##Debbi Washington##imported-end##
