

Kathryn Davis-Lewis

January 28, 1929 - December 14, 2007

Kathryn Davis Lewis "Kitty" of Washington, DC departed this life on Friday, December 14, 2007.

She was born to Catherine Davis. Catharine Davis died when Kitty was young. Kitty and her brother Willie Clay Davis were raised by their Grandmother Mary Davis. Kitty left Reidsville to establish a career in Washington, DC. Kitty became the proud mother of Desiree Jennings and later the devoted Grandmother of David Harriston.

Kathryn Davis Lewis married her life partner and love Benjamin Lewis while on vacation in Las Vegas on December 31, 1975. While Benny and Kitty's blessed union produced no children together they raised not just Desiree and David but many children that wondered into their lives. These children, Keith Holt "Charlie Brown", Cyrus Veal "CJ" and many others are now an integral part of their family.
