“ My family and I respectfully express our sincere and heart felt sympathies to the immediate family and extended family and friends of Mr. Keith Dreher, especially to his Mother Carmen, his father, and Grandmother Patricia Hagan. Also, that we are lifting each of them up in our prayer, asking God to be their strong refuge as they walk through the valley and shadows of death during this difficult time. And, we want Carmen especially to know that God in his wisdom will somehow help you to cope with this and be able to feel better though helping you to hold on to the many good times and memories that only Keith and you shared and to know also that Keith's spirit continues to live, spiritually though both you and his children as you will see when you stop and pay close attention to the way in which his children talk, laugh, walk and just do things in the same manner Keith did. We have no answers. We only know that as you walk though this valley and shawdow of death we ask that you hold on to Jesus' hand and allow him to help you to be strong in spite of your tears and sense of emptyness that you will feel. We're here, we are praying that you,hold on until God helps your tears to slow down, and then bring you some sense of peace ...everlasting peace and joy... as you remember your baby boys smile, the sound of his laughter, his arms around you and his eyes that were as bright as stars in the sky!###imported-begin##Cheryl Ann Speight###imported-end##
