“ *I just found out about Kesi's passing. I was crushed. Kesi was and will always be the beautiful person that I have always known her for. I first met Kesi when I attended Douglass College. I had to leave but during my time there Kesi was a true friend. We enjoyed Thursday nights watching Knots Landing. That was the hottest show then. I remeber times when I would go to her house on the weekends and she, her mother and I would go to the mall or she and I would to to Union Square. We always had fun. Kesi was Christian just like myself. When she visited me, we went to my church. I only hate that after I left Rutgers we lost contact. I never stopped thinking about her just did not have the channels reach out. I know she is resting peacefully in the father's arms. I ask God to grant her husband Austin and her family continued comfort. Kesi has always and will always be in my heart. I'm just glad that God allowed her to share a page in the chapter of her life with a page of mine. If there is anything that I can do for her Lupus foundation or one in my area please let me know. Thank you God Bless you and keep you. Nichole "Nicky" Andrews-Berry. 973 674-3373##imported-begin##Nichole Andrews-Berry##imported-end##*
