“ *Kevin was like an older brother, uncle and cousin all in one. He was always someone I looked up to growing up, someone I wanted to be like. I wanted to be as cool, generous and kind as him and I hope very act of good I do in my life serves as a tribute to his memory. He got me my first comic book which sparked a lifelong interest and the last time I saw him he gave me a much needed push to do several things I needed to do. I'll never forget him, I'll never stop missing him. I know he is with God now.*

“ I will always remember your laugh. Your seriousness because when you saw something just not right, that face would come! You was so cool as a fan and laid back. God knew what he was doing when he made you and he knew what he was doing when he took you to be beside him. You will truly be missed. Love you dog! #LLKev
