“ Dear Linda,  
When I learned of the loss of your son Kevin, I was saddened. A loss of life whether it be short or long still hinders me from words that may bring absolute comfort to relieve the pain. His passing will be a real loss to all who knew him. Although I did not know Kevin, I am sure being anything like his mom, he was a special man with a special love of life. May your faith in God continue to sustain you and your family and bring you peace.
