“ *I met Korey or as he presented himself to me, Keylon.. a quite person yet loud with his presence. His calm exterior shined through how he handled himself and his wisdom beyond years. His eyes and smile was the sweetest glow that would bring you in wanting to be apart of Korey's life. The small memory we created through our friendship will be cherished all my life. He is an inspiration for me to be a go getter, have fun, and more important of all, embrace the ones you love. I found out in a conversation with him he wanted to make art, a brand for himself. And he accomplished that through his brand of authenticity, which he will be a muse in my art projects. I will always keep his name alive, he was a fire extinguished too soon. <3*

“ The memory of spending the early years with my nephew are still very fresh. The trips to Bermuda Tracie made with Korey esulted in countless photo opportunities as we spent summer fun on the beach, camping or boating. Those were beautiful times as Korey's funny personality was emerging.

To my little sister and the rest of the family, my love and prayers are with you during this very difficult time. On behalf of Tracie and Korey's Bermuda family, our hearts are heavy at this tremendous loss, and we love you and are here for you.
