“ Cookie had such a profound impact on all that knew her. I'll always remember her smile, kindness, exceptional style, utmost professionalism, and remarkable attitude. During my years at Treasury, Cookie was a wonderful colleague and a second mother to me. I am a better person for having known Cookie and consider it an honor to have served along side her.

Cookie was unbelievably proud of her daughters. She took great pride in talking about Chandra, Rhonda and Sherita with all of us at Treasury--and I hope that your mother's love, devotion, and complete sense of pride in the three of you give you some measure of comfort in these difficult times.

I consider myself blessed to have worked with Cookie. Our great country has lost a noble public servant and I have lost a dear friend. I will remember her fondly.##imported-begin##Ben Getto##imported-end##

“ I read in the newspaper that you have lost your loved one in death. I feel deep sympathy for you and your family. In the bible at 1Corinthians 15:21 it says "For since death is through one man, resurrection of the dead is also through a man." So there is a chance for your loved one to be resurrected.John 5:29##imported-begin##Shayla Norris##imported-end##

It's hard to understand why people are taken from us, but find
comfort in knowing you all were a special part of your mother's and
grandmother's well-lived life. You're in our thoughts, our hearts, and

“ To the Family:
In your life together there were thousands of kisses none as special as the first and none so sad as the last sadly departed from this earth. In your loss, may your love re-capture memories long forgotten, gestures and words of comfort and may God keep you in his love until you are re-united in the House of the Lord. I will sincerely miss my friend of forty years and I am only a phone call away. May God Bless you!##imported-begin##Evelyn D. Grimes##imported-end##

“ To Cookie's family: please accept my deepest condolences on your loss. Your mother and grandmother was such a special person who made everyone's day at Treasury brighter with her smile and easier with her professionalism and expertise. I remember seeing Cookie whenever I headed over to Exec Sec to pick up one of my doc. packages and we used to chat about jewelry. Cookie, I'll be wearing my high carat gold bracelet like the one you have and brought to show me that time this week in your honor!##imported-begin##Stephanie Petersen##imported-end##

“ Chandra,
Our thoughts and prayers go out to you and your sisters during this difficult time. I'm so glad I had an opportunity to meet your Mom and sisters. The closeness you 4 strong and beautiful women shared is a bond that will be the very thing to get you through this time. I know your Mom was so proud of each of you and it showed. She also knew that you all would be there for her when she needed you the most and you did just that. Take comfort in knowing that you will see her again one day, but until then, it must be comforting to know that she is definitely in a much better place and in the arms of her dear husband now as God provide their every need. Be Blessed, stay encouraged and know that I'm only a phone call away anytime you need me. Love you always, Debra Lee and Family.##imported-begin##William and Debra Lee##imported-end##
