“ *I cant believe what I have just heard today when I went to the daycare. I am sorry that I missed the service but I know that you are in a better place with God and if there is ever any thing that I could do for your kids I will. And everyday I see Jada she will remind me of you. Love Kiona.##imported-begin##Kiona Mack##imported-end##*

“ To the family of LaToya D. West, My name is Melvin Carter, every morning I would meet up with LaToya bringing Malachi in to the day care center, at the time she was caring Jada, LaToya was a wonderful mother to her children, when I saw Jada I immediately fell in love with her, some mornings LaToya & Jada would come into my government office 2nd floor room 200 as soon as you get off the elevator Jada and LaToya would knock on the door just say hello, I am truly going to miss LaToya, especially during the football season she loved her Cowboys, she gave me hard time because I am a Die Hard Redskin fan.
