“ *I am so heartbroken that Laura has passed away and my heart and prayers are with the family. I enjoyed her friendship and will dearly miss her. Laura and her family have always been so special in my life and especially in my Mom, Daisy Riley's, life when she was with us. We all shared special time and love for each other's families. May Laura Lily Rest In Peace and I pray that the family can get some comfort from the loving memories that she leaves with all of us. With deepest sympathy. Corless Hamm*
