“ *I Judy shall always remember how every time Larry came to our office it was always a party. That laugh and all of his jokes to us and about us. What a wonderfull human being he was. Our thoughts and prayers are with you at this sad time. The world will never be the same without Larry. Aaron is right, Muncie and Ball State just weren't ready for someone like him! We can all take comfort in knowing that he is doing great things in the next life. God bless you all.##imported-begin##Don & Judy Falls##imported-end##*

“ *To the Family: Caring thoughts and prayers are with you now. May the memories of your loved one bring peace to your hearts. I share your grief. As a former co-worker of Larry's Bowie State and then an e-mail buddy through the years, I will always remember his sense of humor and his joyful zest for life. He was one of a kind - a truly blessed gentleman. I believe everyone he met soon became his friend.*

“ *To the Waters family- Earth has no sorrow that heaven cannot heal. Dr. Waters was a ray of light and burst of energy in a town and to a campus that perhaps was not ready for all of his talents. I will always remember the stories and the advice that he shared with me as a young African American admissions professional. He never could say enough about a lot of things but especially his family. While I never met his wife or children, he always made me feel as if you all were as much a part of my life as he was. May the blessings of the Lord be upon you all, we thank you for sharing him with us. Now he belongs to eternity.*

Love,
