“ *Leila Will forever be missed. She served on the board at Howard University Employees Federal Credit Union for well over a decade. I was employed there for 25 years and we called her Mother. She would always bring us little trinkets and scarfs and just of everything. She would always brings thinks for my daughter. And she knew how to put together celebrations and events like nobody I ever knew. She did not pull any punches and she was a force. She lived a full life. I only hope that my life will be half as full as Leila’s. My condolences to her family. She was a jewel. She is missed.*

*My friend Leila Brown will truly be missed. We shared many wonderful moments together during our Dancing Career. We dance in a Trio along with Howard Kennedy called “The Eltrinados”, performing on the “Capital Caravan “ show every Saturday. She was a fabulous Dancer. She inspired me during my career. She was a loving, compassionate, and giving person. She enjoyed life and lived it to the fullest. You will not be forgotten.  
Condolences to The Family.*
