“ *To the Family of my neighbor and friend. My condolences and prayers of comfort are extended to you. I have known Lena for 22 years as a neighbor right across from me. Lena was such a beautiful person with a smile no matter what and always gave encouraging words to you. She would always look out for my husband who was blind and talk to him when he was walking up and down the kuldisac with the dog. She was afraid of dogs but would look out for him at her doorway 😭. She would join us for cookouts, but we had to keep the little dog out of her sight. The joy of her life were her grandchildren and when they were coming she would do everything she could to make them happy, taking them out for fun and talking about the fun they had full of excitement. One memory so close to my heart is her walking to the mailbox in recent years late in the evening with her cane at first and than two canes and her mailbag 😭. I would fuss at her at how dangerous it was but knowing she didn't want to loose her independence just watched to make sure she was ok. I still see her spirit walking to that mailbox. Lena I love you and will miss you Another Angel has been sent to watch over us!!!*
