“ *Valencia and Family,*

It is with great sadness that I send my condolences to each of you on the passing of your loved one. I pray that you find peace, comfort and strength in knowing that she is at peace now and suffers no longer. Death leaves a heartache no one can heal but love leaves a memory no one can steal. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.##imported-begin##Jeffery Graves##imported-end##

“ *To the family:*

With sadness, I send my deepest condolences to each of you. Your mother was such a wonderful person...always having a smile and kind words. As a child I recall those delicious homemade rolls...and to date I've never tasted anyone's homemade rolls like the ones she made. My family holds many "happy" memories of her. She will be missed.##imported-begin##Cheryl ##imported-end##
