“ When I think of you one word comes to mind, "Charisma", which means charm, personality, appeal, magnetism, and allure. I will always remember you in this manner. You are a class act. Andrew, I will continue to pray for you and Justice. If you need anything, I am just a phone call away.##imported-begin##Vera Dunmore##imported-end##

“ Hello Dink,  
I'm going to miss your face coming into Chuck & Billy's to watch me sing. You would always ask me to sing your song *Is it the way & Hypnotize* and I had to give you that shout-out : You always brought the sunshine in the room when u entered and always peeked around the door to make sure we made eye contact & u always looked so good. Just know ur other family @ Chucks will miss u dearly as we celebrate ur life. I will never forget how u wanted me to meet ur Andrew and u both came to the club one night and we had such a good time. Andrew take care of yourself & Justice, and Dink will forever live on in the both of you. I always say the way you leave this earth is the way you lived your life and to witness the love at your viewing where the people kept coming & coming & coming...Dink u touched so MANY people.

*Dink u showed and taught us how to love & laugh. I couldn't help to wonder WOW...Dink u brought all of us together..u fulfilled ur purpose and God is pleased. Dink will continue to live on in each one of our lives!!! Rest in peace my friend..until we meet again. I will dedicate my entire show to u tonight and give you that big shout out that u always liked.... This one is for My Buddy DINK!!! Peace & Blessing!!!*

“ To all family member of Leon King, please accept my condolences and especially my life long friend and Leon's partner soul mate Andrew Robinson. Although I just met Leon Dink a few years ago, it feels like a life time. Leon's spirit was genuine and inviting and I am glad I had the opportunity to know him. God has something else in store for this angel and I will hold on to the brief moment we shared.

Andrew, I wish for you continued strength and courage. I'll continue to keep you and Justice lifted in my prayers. I love you.

“ Cookie my condolences to you and your family. Dink and I have had many conversations, he would come by the house to visit Iris, but if she wasn't there he would just talk to me for hours. I thank God I had an opportunity to speak with him about two weeks ago and we had one of our talks, but not as long due to his storness of breath. He will be truly missed, but not forgotten.

Love
